

Chairman of the Conference
Prof. Emad El-Meliegy

General Secretary
Prof. Bothaina Abd El-hady

Chairman of Organizing Committee
Prof. Wafaa Abdel Fattah

Co-Chairman of Organizing Committee
Prof. Amany Mostafa

Conference secretary
Dr. Amr ElGohary

Abstract Submission:

Abstracts to be sent to Dr. Mohammad Farag via,
ترسل ملخصات الأبحاث للدكتور محمد محمود فرج

Egyptian Society for Science and
Technology of Biomaterials (ESSTB)

الجمعية المصرية لعلوم وتقنيات المواد الحيوية

1st ESSTB Conference, Egypt

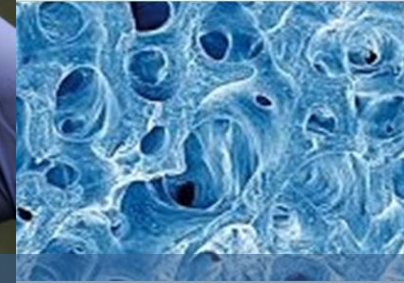

المؤتمر الأول للجمعية المصرية لعلوم وتقنيات المواد الحيوية

March 1-2, 2015

Transfer of Biomaterials Into Technology

نقل المعرفة في مجال المواد الحيوية إلى
تكنولوجيا

National Research Centre, Dokki,
Cairo, Egypt

Main Topics:

- Fabrication of biomaterials
- Nanotechnology
- Tissue Engineering
- Hierarchical Biomaterials
- Orthopedic Biomaterials
- Nanomedicine
- Dental and craniofacial biomaterials
- Drug Delivery and drug discovery
- Regenerative medicine
- Antimicrobial biomaterials
- Interaction of biomaterials with cells
- Stem cells and applications
- Biopolymers, bioglasses and bioceramics
- Metallic biomaterials and coatings
- Natural biomaterials

Important dates:

Abstract deadline	November. 30, 2014
Abstract Acceptance	December 15, 2014
Early Registration	January 01, 2015

Conference fees:

LE 300	Egyptian non members
LE 200	Egyptian ESSTB members
LE 200	Egyptian Students
USD 500	Non Egyptians

ESSTB

The Egyptian Society for Science and Technology of Biomaterials (ESSTB) is a non-profit scientific society whose main objective is to encourage progress in the field of biomaterials' research, technology, teaching and clinical applications, as well as other related activities. Furthermore.

Announcement

ESSTB announces with a great pleasure an invitation to participate in the 1st Annual Conference of the Egyptian Society for Science and Technology of Biomaterials to be held in Cairo, Egypt March 2015. We hope that you will take this opportunity to join us at this exciting meeting and visit distinctive old Egypt.

A truly interested event

The 1st Annual Conference of ESSTB aims to Support the transfer of biomaterials' knowledge into technology. supporting transfer of academic research of biomaterials into biomedical devices. As well as, it interests in providing effective solutions to health problems faced by ordinary people. The Conference will bring together experts and scientists from academia and industry.

The Venue: Cairo

Cairo is the most important and the largest capital in Africa. such as the Pharaoh, Romanian and Islamic civilizations. Once you visit some of Egyptian touristic places. You'll feel that you have read the history of mankind as a whole.

Venue of conference

National Research Centre, 12622 Dokki, Giza, Egypt
