

## Linguistic Drills Course

***-Write about one of the following research topics.***

1. The stories of "The sun, The story of Keesh and the story of Tell Tale Hear" are examples of storytelling language. Write an academic paper comparing between the different stories in terms of language, expressions, storytelling style and adjectives used. Use EKB to write about the authors, stories review and language of the stories.
2. "Human language is different from "Animal language"; this difference affect coping with animals and communicating with them. Write an academic paper about the difference between human language and animal sound and language habitation.
3. Martial Arts have distinctive terms and unique language. Write an academic paper about Martial Arts based on "Suzan Ribner and Dr. Richard Chin article". Describe some proverbs, phrases and facts about the language of Martial Arts (e.g. adjectives, phrases, expressions..etc)

### Guidelines:

- English is the language of the research.
- Pages should range from 10-15.
- Use 8 references at least to support your article.
- Add the adjectives, idioms or proverbs in the appendix section.
- Consider how the book handled the mentioned topics in citation.
- University guidelines should be followed in writing the paper.
- Consider citation and avoid plagiarism.
- Use EKB to list examples and research review.
- Never refer to your identity or bio data.
- Include references from your book, EKB and other trusted books.
- You can divide the paper into theory and practice examples .

Good Luck
