Study Degrees

- 1- MBBCh. 2003: Faculty of Medicine – Assiut University. Egypt.
General grade: **very good** with honor.
- 2- Master Degree in Tropical Medicine ,Gastroenterology ,Hepatology and Infectious disease 2010, Assiut Faculty of Medicine, Assiut University. Title of Master Essay “**Hepatitis E virus -An overview**”. General grade: **good**.

3- MD degree in Tropical Medicine ,Gastroenterology ,Hepatology and Infectious disease. Faculty of Medicine, South valley university; Egypt in 2015. Title of Thesis “Endoscopic band ligation combined with argon plasma coagulation versus band ligation alone for eradication of esophageal varices”.

❖ - RESEARCH

Essay for the M.Sc.

“Hepatitis E virus -An overview

Thesis for MD.

“Endoscopic band ligation combined with argon plasma coagulation versus band ligation alone for eradication of esophageal varices”

Other Researches:

Evaluation of CD64 Index in HBV and in Chronic HCV Infections. **Open Journal of Gastroenterology, 2017, 7, 173-186**

Sofosbuvir–daclatasvir improves hepatitis C virus induced mixed cryoglobulinemia: Upper Egypt experience. **Infection and Drug Resistance 2018:11; 895–901**

Association between Entamoeba Histolytica/Dispar and Helicobacter Pylori infections in patients with Gastrointestinal complaints. **J. Egypt. Soc.Parasitol. (JESP), 48(1), 2018: 31 – 34.**

Efficacy of ombitasvir/ paritaprevir /ritonavir/ribavirin in management of HCV genotype 4 and end-stage kidney

disease. **Clinics and Research in Hepatology and Gastroenterology (2018).**

Effect of Acid Suppression on Peripheral T-Lymphocyte Subsets and Immunohistochemical Esophageal Mucosal Changes in Patients With Gastroesophageal Reflux Disease. **J Clin Gastroenterol ” 2018.**

Evaluation of Portal Hypertension Doppler Parameters after Hepatitis C Virus Eradication in Patients with Definite Fibrosis. **Int. J. Curr. Res. Med. Sci. (2017). 3(11)**

Diagnostic validity of flow cytometry vs manual counting of polymorph nuclear leukocytes in spontaneous bacterial peritonitis. **J Clin Lab Anal. 2018; e22395.**

Knowledge, attitude and practice of diabetic patients (type II) regarding life style modification at Qena University Hospital in Upper Egypt. **Journal of Health, Medicine and Nursing.Vol.27, 2016.**

Prevalence and predictors of occult hepatitis C virus infection among Egyptian patients who achieved sustained virologic response to sofosbuvir/daclatasvir therapy: a multi-center study. **Infection and Drug Resistance 2019:12; 273–279.**

Diagnostic Efficacy of Serum Factor IV Collagen of Hepatic Fibrosis Regression in Chronic Hepatitis B Virus Infected Patients. **Advances in Infectious Diseases, 2018, 8, 241-254.**

Role of Plasma Osteopontin Level as a Predictor of Hepatic Fibrosis Regression and Response to Antiviral Treatment in Patients with Chronic HBV or Chronic HCV Infection. **Open Journal of Gastroenterology, 2018, 8, 434-447.**

❖ - Conferences

- 1) 1st annual conference of Gastroenterology and Hepatology 10th -13th August, 2016, Hurghada.
- 2) 2nd annual conference of Gastroenterology and Hepatology, 2017, Hurghada
- 3) 3rd annual conference of Gastroenterology and Hepatology from 8th -11th August, 2018. Hurghade

Language skills:-

1- Arabic:-

Mother language
