

### **Personal information:**

- Name and nationality: Mohammed Hosny Hassan, Egyptian.
- Title/Rank: Associate Professor of Medical Biochemistry, Head of Medical Biochemistry Department, Faculty of Medicine- SVU
- Tel.: 01098473605 - 01066043605
- Date and place of birth: Jan.3, 1982, Abu-tesht, Qena, Egypt.
- Work Address: Medical Biochemistry Department, Faculty of Medicine, South Valley University, Qena, Egypt.
- Specialization: Medical Biochemistry, Molecular biology and metabolic disorders.
- Current Home Address: Qena, Egypt.
- Marital Status: Married & had three children.
- Disabilities and chronic illness: None.
- Languages: Arabic/English: Excellent reading, writing and conservation.
- Personal E.mail address:  
[mohammedhosnyhassaan@yahoo.com](mailto:mohammedhosnyhassaan@yahoo.com).
- Institutional E.mail address:  
[mohammedhosnyhassaan@med.svu.edu.eg](mailto:mohammedhosnyhassaan@med.svu.edu.eg).
- My google scholar page URL:  
<https://scholar.google.com/eg/citations?user=u2EXPHgAAAAJ&hl=en>.
- ORCID ID: orcid.org/0000-0003-2698-9438
- Research gate score: 21.66
- Scopus Author ID: 57191897726 (26 articles).
- H-index=4.
- Web of Science ResearcherID : G-8612-2019
- Pubmed link of my published articles (20 articles):  
<https://www.ncbi.nlm.nih.gov/pubmed/?term=Hassan+MH%5BAuthor%5D+%2C+biochemistry+%2C+south+valley+university>

- **Publon link as reviewer**(27 articles has been reviewed in an indexed impacted journals):  
[https://publons.com/author/1593634/mohammed-hosny-hassan?utm\\_campaign=notifications\\_summary&utm\\_source=publons&utm\\_medium=email#profile](https://publons.com/author/1593634/mohammed-hosny-hassan?utm_campaign=notifications_summary&utm_source=publons&utm_medium=email#profile)

### **Qualifications**

- Bachelor of Medicine and Surgery, Faculty of Medicine, Sohag University, Sohag, Egypt. Very good with honor, September 2004.
- M.Sc. (Medical Biochemistry): Thesis entitled: Prevalence of lactose intolerance among primary school children in Qena Governorate, 2009, Excellent, Faculty of Medicine, Assiut unv, Assiut, Egypt.
- M.D degree (Medical biochemistry): Thesis entitled: Glycogen storage diseases among pediatric patients, 2014, Qena Faculty of Medicine, South valley unv, Qena, Egypt.
- M.Sc. (Pediatrics and Neonatology): Thesis entitled: Evaluation of thyroid functions among children with iron deficiency anemia– 2018,Good, – Faculty of Medicine – Al-Azhar University- Assiut Branch.

### **Experiences**

#### **A. Teaching:**

- Demonstrator of Medical Biochemistry (2007- 2010).
- Assistant Lecturer, 2010 -2014
- Lecturer from 2014 till date.

I had got the following skills during this period

- Teaching the laboratory experiments for medical students
- Simplifying the theoretical issues to be easily understood
- Dealing with students problems and tackling them.
- Performing the laboratory experiments
- Preparing the solutions needed for the laboratory work
- Using the following techniques: spectrophotometry , ELISA readers, centrifugation manual and automatic pipetting .
- Advanced user of all computer applications.
- Making all statistical analysis of scientific data.
- Browsing internet databases for scientific literatures.

- Improving scientific discussion during time course of lectures and use instructing facilities, projectors and data show.
- Had local TOEFL.
- Had ICDL.
- DNA extraction and PCR using thermal cycler, in Medical research institute, Alexandria University.
- Teaching the basic topics in medical biochemistry and molecular biology for under-graduate students of the following faculties in SVU-Qena: Medicine, Veterinary medicine, Dental medicine, physical therapy, Nursing, Pharmacy, Clinical Pharmacy and for medical and nursing students at Aswan university.

### **B- Editing & Authorship:**

Co-author and CO-editor: Review of Medical Biochemistry at:

1. SVU-Qena: Medicine, Veterinary medicine, Dental medicine, physical therapy, Nursing students, Pharmacy, Clinical Pharmacy.
2. Aswan university- Faculty Of Medicine: Medical students and Nursing students.

### **Co-author and CO-editor:**

- Metabolic Disorders .ISBN 687-119-080.
- Twenty Very important subjects for postgraduate medical students. ISBN 678-98-98-09.Volume –I.
- Twenty One Very important subjects for postgraduate medical students. ISBN 678-98-98-09.Volume –II.
- Fifteen Very important subjects for postgraduate medical students. ISBN 678-98-98-09.Volume III.
- Introduction to genetic disorders. ISBN 687-119-0800.
- Cardiovascular system from the biochemical point of view.
- Major body proteins.
- Rheumatology& bone diseases: Biochemical and molecular secrets.
- Principles of basic medical biochemistry.
- Essentials in molecular biology & biotechnology.
- Biochemistry notes for post-graduate students (Gynecology and Obstetrics, Tropical Medicine, Internal Medicine, Pediatrics, Orthopedics, Chest, Dermatology, General Surgery, Urology, Histology, Physiology, Microbiology, Forensic

Medicine, Nuclear Medicine, Neurology, Cardiology, Ophthalmology).

### **Present Jobs:**

- Vice Dean for education and students' Affairs, Faculty of Pharmacy, South Valley University, Qena, Egypt.
- Head of Medical Biochemistry Department, Faculty of medicine, South Valley University, Qena, Egypt.
- Editorial manager for SVU-international journal of medical sciences.
- Member at the Quality assurance Unit of the faculty.
- General Manager of the information technology unit of the faculty.
- Responder of the Student's activities and communication of the Qena faculty of Medicine, SVU.
- Member at the Metabolic and Genetic Disorders Unit-Faculty Of Medicine- Assiut University
- Member at the Egyptian society of Medical Biochemistry and Molecular Biology-Cairo-Egypt.
- Member of the curriculum committee of Qena Faculty of Medicine- South Valley University.
- Member of the library committee of the Qena faculty of Medicine, SVU.

### **Training courses:**

1. **Power Point Presentations** training program: From 27-2-2010 to 1-3-2010. Qena, SVU.
2. **Introduction to PC Maintenance and Protection** training program. 2<sup>nd</sup> -3<sup>rd</sup> March 2010. Qena, SVU.
3. **Word Processing** training program: From 6-9 March 2010. Qena, SVU.
4. **Statistical Analysis Using SPSS** training program: From 19-22 November 2011. Qena, SVU.
5. **Graphic Adobe Photoshop** training program: From 27-30 November 2011. Qena, SVU.
6. **Hands on the basic techniques used in molecular biology.** 15-18 December 2014. Medical Technology Center of Medical Research Institute, Alexandria University.
7. **General Chromatography & new techniques of the HPLC.** 9- December 2015. Metabolic and Genetic Disorders Unit-Faculty Of Medicine- Assiut University.

8. **Neonatal resuscitation training provider course.** May, 5<sup>th</sup>-6<sup>th</sup> 2016- Pediatric department, Al-Azhar University- Faculty of Medicine (Assiut).
9. **Researcher Connect Course (British Council).** 16<sup>th</sup>-18<sup>th</sup> October 2016. Foundation, Abstracts, Presentation with impact and Academic collaboration modules. South Valley University, Qena-Egypt.
10. Attendant the "**9<sup>th</sup> Data Definition and Data Entry Training Workshop**" that was organized by Egyptian Neonatal Safety Training Network "ENSTN" at Pediatric department, Al-Azhar University- Faculty of Medicine (Assiut).11/4/2017.
11. **Scientific thinking and argumentation skills for problem solving** of the further domain "Soft skills for academics" within the DAAD Kairo Akademie. 2<sup>nd</sup> April, 2017. South Valley University, Qena-Egypt.
12. **Hands on the basic techniques used in protein analysis** workshop. 03-05 March 2018. Medical Technology Center of Medical Research Institute, Alexandria University.
13. **PCR from A to Z workshop.** 10<sup>th</sup> February, 2018. Metabolic and Genetic Disorders Unit-Faculty Of Medicine- Assiut University.
14. **Cytogenetic and Karyotyping in Medical research and diagnosis workshop.** 5<sup>th</sup> April, 2017. Metabolic and Genetic Disorders Unit-Faculty Of Medicine- Assiut University.
15. Scientific writing: From data collection to publishing course, 23<sup>rd</sup> to 25<sup>th</sup> September,2018, Faculty of Medicine, South Valley University, Qena, Egypt.
16. **Knowledge Based Assessment:** Best Practice in Item writing. 10<sup>th</sup> March, 2019. Faculty of Medicine, Assiut University.
17. اجتياز دورة المراجعة الخارجية لكليات و معاهد التعليم العالي في الفترة من 10- 12 / 2 / 2019 م من قبل الهيئة القومية لضمان جودة التعليم والاعتماد.
18. اجتياز دورة توصيف البرامج والمقررات وتقويم نواتج التعلم لكليات ومعاهد التعليم العالي في الفترة من 19- 21 / 2 / 2019 م من قبل الهيئة القومية لضمان جودة التعليم والاعتماد.

### **Awards:**

1. SVU award for the international scientific research publication 2014.
2. SVU award for the international scientific research publication 2015.
3. SVU award for the international scientific research publication 2016.
4. SVU award for the international scientific research publication 2017.
5. SVU award for the international scientific research publication 2018.
6. Best International Recognized Research: presented in the eighth monthly scientific meeting of faculty of medicine, scientific day November 12, 2016 for the research entitled "Role of oxidative stress and outcome of various surgical approaches among patients with bullous lung disease candidate for surgical interference ", Assiut University.
7. Evaluator in I.S.E.F 2017, international institute for languages and training Qena.
8. Evaluator in I.S.E.F 2018, South Valley University-Qena-Egypt.
9. Appreciation for active participation in student activities at Faculty of Oral and Dental Medicine, South Valley University-Qena- Egypt.

### **Thesis supervision**

Since 2015 until now I had supervised 14 M.Sc. and 5 Ph.D theses.

### **Conferences and scientific meetings:**

1. Participant in **the 25<sup>th</sup> annual conference "silver jubilee" of faculty of Medicine- Assiut University:** 11-14 March 2007.
2. Attendant at **the first scientific meeting of the metabolic and genetic disorders unit "MGD".** 31 March, 2012. Faculty of Medicine- Assiut University.
3. Participant in **1<sup>st</sup> Luxor International Dental Congress:** 17-19 December 2014. 15 Credit hours.
4. Participant in **The First Qena Faculty Of Medicine Scientific Conference:** 14-15 January 2011. 8 Credit hours.

5. Participant in **3<sup>rd</sup> International Neuroepidemiology Of Conference**: 3-4 February 2015- Hurghada- Egypt.
6. Participant in **1<sup>st</sup> International Conference Of Cognitive Function Disorders**: 5-6 February 2015- Hurghada- Egypt.
7. Active member of the organizing committee in **The Second Conference For The Youth researchers Of The Egyptian Universities**: 3-5 November 2015- Qena –Luxor.
8. Attendant at **2<sup>nd</sup> Luxor international dental congress**. 9-11 March 2016. 15 Credit hours.
9. Participant in **7<sup>th</sup> annual conference of Pediatric Department**- Al-Azhar University- Faculty of Medicine (Assiut). 3-6 August 2016- Hurghada- Egypt.
10. Attendant at **Amino Acid Analyzer as cornerstone in metabolic disorders**. 9-10 December 2015. Metabolic and Genetic Disorders Unit-Faculty Of Medicine- Assiut University.
11. Attendant at **Metabolic and Genetic Disorders: Where we are now?** 18<sup>th</sup>-19<sup>th</sup> April 2016. Metabolic and Genetic Disorders Unit-Faculty Of Medicine- Assiut University.
12. Active member of the organizing committee in **The Third Egyptian universities conference for young researchers**: 1-3 November 2016- Qena –Luxor.
13. Member of the organizing and scientific committee of the first regional Arab scientific conference of Metabolic and Genetic Disorders Unit. **Updates in Metabolic and, Molecular and Cytogenetic disorders**. Faculty of Medicine- Assiut University, 29-30 March, 2017.
14. Participant in the activities of workshop of (**Childhood Epilepsy**). 16<sup>th</sup> March, 2017. Pediatric department, Al-Azhar University- Faculty of Medicine (Assiut).
15. Head of the Scientific organizing committee in **The Fourth Egyptian universities conference for young researchers- (Update in Medical Sciences)**: 23-24 December 2017- Qena –Luxor.
16. Attendant at **The second joint (Pedo Azhar 2, 2018),Al-Azhar Pediatric conference, 11<sup>th</sup> (For Girls) & 9<sup>th</sup> (For Assiut)**, 5-7 July,2018, Radisson blue hotel, Alexendria, Egypt.
17. Active member of the organizing committee in The First International Scientific Conference of Metabolic and Genetic Disorders unit; **Metabolic and Genetic Disorders:**

**Where are we?**, February 27-28, 2019. Faculty of Medicine, Assiut University, Assiut , Egypt.

18. Active member of the organizing committee in **The Fifth Egyptian universities conference for young researchers-** 11-12 March 2019- Qena –Luxor.

**Reviewer in the following international medical journals:**

1. Metagene, Elsevier.
2. BMC pediatrics. Springer.
3. Journal of clinical and diagnostic research.
4. International neuropsychiatric disease journal, science domain international.
5. African health sciences.
6. Molecular biology reports, Springer.
7. Journal of pediatric neurology.
8. United European gastroenterology journal (SAGE publication).
9. International journal of neuroscience.
10. Gene reports, Elsevier.
11. Aging male, Taylor & Francis.
12. Drug and chemical toxicology.
13. Andrology.
14. Journal of pediatric neurology.

**Projects**

1. First molecular characterization of schistosoma in Egypt. One of the competitive research projects-SVU, Egypt.

**Publications list**

**A) National Publications:**

1. Samira M. Saleh, **Mohammed H. Hassan**, Ahmed M. Tohamy. The effect of moderate and severe burn injuries on human liver, kidney & blood (biochemical study). Zagazig J. Forensic Med.& Toxicol. Vol.(16) No. (1) Jan 2018.
2. Wafaa M. Abdel-Maged, **Mohammed H. Hassan**, Mohamed A. Mostafa, Nagwa S. Ahmed and Ereny S. Samy. Lesional levels of superoxide dismutase and malondialdehyde in paucibacillary and multibacillary leprosy patients. Journal of the Egyptian Women's Dermatologic Society. DOI: 10.1097/01.EWX.0000521801.05401.e3. 2017, 14:156–160
3. Tahia H. Saleem, **Mohammed H. Hassan** , Ahmed El-Abd Ahmed , Ayat A. Sayed , Nahed A. Mohamed , Khalid I. Elsayh, Abdallah M.A.A. El-Ebidi and Norhan B.B. Mohammed. Clinical and

- genetic assessment of pediatric patients with Gaucher's disease in Upper Egypt. The Egyptian Journal of Medical Human Genetics. doi: 10.1016/j.ejmhg.2016.08.005. (2017) 18, 249–255.
4. Farouk A, Elminshawy A, Abdel Bary M, **Hassan MH**, Abd el-Rahman KAe-b, Saleem TH, Serial changes in the serum levels of leptin, homocysteine, galectin-3, total phospholipids and hexosamines among patients undergoing coronary artery bypass grafting, Journal of the Egyptian Society of Cardio-Thoracic Surgery 24 (2016) 207-214. doi: 10.1016/j.jescts.2016.10.002.
  5. Ahmed Farouk, Magdy Algowhary, **Mohammed H. Hassan**, Ahmed Elminshawy, Mohamed Abdel-Bary, Hatem H.M. Maghraby, Tahia H. Saleem. Circulating B-type natriuretic peptide levels and its correlation to Qp/Qs ratio among children undergoing congenital heart surgery. Journal of the Egyptian Society of Cardio-Thoracic Surgery.2017; 25: 58-63.
  6. F.F. AbdelHafez, Y. Tang , **M.H. Hassan**, T.H. Saleem, Assessment of Anti-Mullerian Hormone (AMH) levels in a pilot cohort of peripubertal females: Correlation with sex maturity rating (SMR), Middle East Fertil Soc J (2018), <https://doi.org/10.1016/j.mefs.2018.01.004>. Volume 23, Issue 4, December 2018, Pages 278-280
