

جدول دروس الانف والاذن والحنجرة المجموعة (أ)

الموضوع	المحاضر	المجموعة	التاريخ
Anatomy of the ear. Diseases of the external ear.	ط/عبير-د/محمودائل	1	السبت 2020/3/7
Anatomy and physiology of the nose and paranasal sinuses. Congenital diseases of the nose.	ط/احمد ممدوح	2	
Anatomy and physiology of the nose and paranasal sinuses. Congenital diseases of the nose.	ط/رواء-د/اسامة كمال	1	الاحد 2020/3/8
Anatomy of the ear. Diseases of the external ear.	ط/مها خضاري	2	
Effects of Trauma. Diseases of the nasal septum	ط/رواء - د/عايدة	1	الاثنين 2020/3/9
	ط/احمد فتحي	2	
Diseases of the middle ear.	ط/عبير- د/عايدة	1	السبت 2020/3/14
Acute and chronic inflammations. Allergic rhinitis. Vasomotor rhinitis. Nasal polyps. Epistaxis. Acute and chronic sinusitis and their complications	ط/احمد ممدوح	2	
Acute and chronic inflammations. Allergic rhinitis. Vasomotor rhinitis. Nasal polyps. Epistaxis. Acute and chronic sinusitis and their complications	ط/رواء-د.اسامة	1	الاحد 2020/3/15
Diseases of the middle ear.	ط/مها خضاري	2	

Benign and malignant tumours of the nose and paranasal sinuses. Disorders of smell. Operations and the principles of endoscopic .sinus surgery	ط/رواء د/زكي	1	الاثنين 2020/3/16
	ط/احمد فتحي	2	
Complications of CSOM	ط/عبير د/محمد وائل	1	السبت 2020/3/21
Anatomy and function of the pharynx and oesophagus. Nasopharyngeal diseases: Adenoid, nasopharyngeal fibroma and carcinoma	ط/احمد ممدوح	2	
Anatomy and function of the pharynx and oesophagus. Nasopharyngeal diseases: Adenoid, nasopharyngeal fibroma and carcinoma	ط/رواء د / اسامة كمال الدين	1	الاحد 2020/3/22
Complications of CSOM	ط/مها خضاري	2	
Anatomy and functions of the larynx. Congenital diseases of the larynx. Trauma and foreign body inhalation	ط/رواء د/عايدة	1	الاثنين 2020/3/23
	ط/احمد فتحي	2	
Facial nerve paralysis Otosclerosis and tumours	ط/عبير د/عايدة	1	السبت 2020/3/28
Ear wash and ear operations Acute and chronic inflammations of the oropharynx. Adenoidectomy, tonsillectomy. Suppurations related to	ط/احمد ممدوح	2	

the pharynx. Ulcerations and tumors			
Ear wash and ear operations Acute and chronic inflammations of the oropharynx. Adenoidectomy, tonsillectomy. Suppurations related to the pharynx. Ulcerations and tumors	ط/رواء د/اسامة	1	الاحد 2020/3/29
Facial nerve paralysis Otosclerosis and tumours	ط/مها خضاري	2	
Diseases of the hypopharynx. Oesophageal diseases in relation to the otolaryngologist. Oesophagoscopy.	ط/رواء د/زكي	1	الاثنين 2020/3/30
	ط/احمد فتحي	2	
Meniere's disease The mechanisms of hearing and equilibrium. Types and causes of deafness.	ط/عبير د/محمد وائل	1	السبت 2020/4/4
Laryngeal oedema. Acute and chronic inflammation. Laryngeal polyps .	ط/احمد ممدوح	2	
Laryngeal oedema. Acute and chronic inflammation. Laryngeal polyps .	ط/رواء د/اسامة كمال الدين	1	الاحد 2020/4/5
Meniere's disease The mechanisms of hearing and equilibrium. Types and causes of deafness.	ط/مها خضاري	2	
Laryngeal paralysis. Benign and malignant tumours.	ط/رواء د/عايدة	1	الاثنين 2020/4/6
	ط/احمد فتحي	2	

جدول دروس الانف والاذن والحنجرة المجموعة (ب)

الموضوع	المحاضر	المجموعة	التاريخ
Anatomy of the ear. Diseases of the external ear.	ط/عبير-د/محمودائل	1	السبت 2020/4/11
Anatomy and physiology of the nose and paranasal sinuses. Congenital diseases of the nose.	ط/احمد ممدوح	2	
Anatomy and physiology of the nose and paranasal sinuses. Congenital diseases of the nose.	ط/رواء-د/اسامة كمال	1	الاحد 2020/4/12
Anatomy of the ear. Diseases of the external ear	ط/مها	2	
Effects of Trauma. Diseases of the nasal septum	ط/رواء - د/عايدة ط/احمد فتحي	1 2	الاثنين 2020/4/13
Diseases of the middle ear.	ط/عبير- د/عايدة	1	
Acute and chronic inflammations. Allergic rhinitis. Vasomotor rhinitis. Nasal polyps. Epistaxis. Acute and chronic sinusitis and their	ط/احمد ممدوح	2	السبت 2020/4/18

complications			
Acute and chronic inflammations. Allergic rhinitis. Vasomotor rhinitis. Nasal polyps. Epistaxis. Acute and chronic sinusitis and their complications	ط/رواء د-اسامة	1	الاحد 2020/4/19
Diseases of the middle ear.	ط/مها خضاري	2	
Benign and malignant tumours of the nose and paranasal sinuses. Disorders of smell. Operations and the principles of endoscopic sinus surgery.	ط/رواء د/زكي	1	الاثنين 2020/4/20
	ط/احمد فتحي	2	
Complications of CSOM	ط/عبير د/محمد وائل	1	السبت 2020/4/25
Anatomy and function of the pharynx and oesophagus.	ط/احمد ممدوح	2	
Nasopharyngeal diseases: Adenoid, nasopharyngeal fibroma and carcinoma			
Anatomy and function of the pharynx and oesophagus.	ط/رواء د/اسامة كمال		الاحد 2020/4/26

Nasopharyngeal diseases: Adenoid, nasopharyngeal fibroma and carcinoma			
Complications of CSOM	ط/مها		
Anatomy and functions of the larynx. Congenital diseases of the larynx. Trauma and foreign body inhalation	ط/رواء-د/عايدة	1	الاثنين 2020/4/27
	ط/احمد فتحي	2	
Facial nerve paralysis Otosclerosis and tumours	ط/عبير - د/عايدة	1	السبت 2020/5/2
Ear wash and ear operations Acute and chronic inflammations of the oropharynx. Adenoidectomy, tonsillectomy. Suppurations related to the pharynx. Ulcerations and tumors	ط/احمد ممدوح	2	
Ear wash and ear operations Acute and chronic inflammations of the oropharynx. Adenoidectomy, tonsillectomy. Suppurations related to the pharynx.	ط/رواء -د/اسامة	1	الاحد 2020/5/3

Ulcerations and tumors			
Facial nerve paralysis Otosclerosis and tumours	ط/مها خضاري	2	
Diseases of the hypopharynx. Oesophageal diseases in relation to the otolaryngologist. Oesophagoscopy.	ط/رواء د/زكي	1	الاثنين 2020/5/4
	ط/احمد فتحي	2	
Meniere's disease The mechanisms of hearing and equilibrium. Types and causes of deafness.	ط/عبير د/محمد وائل	1	السبت 2020/5/9
Laryngeal oedema. Acute and chronic inflammation. Laryngeal polyps .	ط/احمد ممدوح	2	
Laryngeal oedema. Acute and chronic inflammation. Laryngeal polyps .	ط/رواء د/اسامة	1	الاحد 2020/5/10
Meniere's disease The mechanisms of hearing and equilibrium. Types and causes	ط/مها	2	
Laryngeal paralysis. Benign and malignant tumours.	ط/رواء د/عايدة	1	الاثنين 2020/5/11
	ط/احمد فتحي	2	

جدول دروس الانف والاذن والحنجرة المجموعة (ج)

الموضوع	المحاضر	المجموعة	التاريخ
Anatomy of the ear. Diseases of the external ear.	ط/عبير-د/محمودائل	1	السبت 2020/5/16
Anatomy and physiology of the nose and paranasal sinuses. Congenital diseases of the nose.	ط/احمد ممدوح	2	
Anatomy and physiology of the nose and paranasal sinuses. Congenital diseases of the nose.	ط/رواء-د/اسامة كمال	1	الاحد 2020/5/17
Anatomy of the ear. Diseases of the external ear.	ط/مها خضاري	2	
Effects of Trauma. Diseases of the nasal septum	ط/رواء - د/عايدة	1	الاثنين 2020/5/18
	ط/احمد فتحي	2	
Diseases of the middle ear.	ط/عبير- د/عايدة	1	السبت 2020/5/23
Acute and chronic inflammations. Allergic rhinitis. Vasomotor rhinitis. Nasal polyps. Epistaxis. Acute and chronic sinusitis and their complications	ط/احمد ممدوح	2	

Acute and chronic inflammations. Allergic rhinitis. Vasomotor rhinitis. Nasal polyps. Epistaxis. Acute and chronic sinusitis and their complications	ط/رواء-د-اسامة	1	الاحد 2020/5/24
Diseases of the middle ear.	ط/مها	2	
Benign and malignant tumours of the nose and paranasal sinuses. Disorders of smell. Operations and the principles of endoscopic sinus surgery.	ط/رواء د/زكي	1	الاثنين 2020/5/25
	ط/احمد فتحي	2	
Complications of CSOM	ط/عبير-د/محمد وائل	1	السبت 2020/5/30
Anatomy and function of the pharynx and oesophagus. Nasopharyngeal diseases: Adenoid, nasopharyngeal fibroma and carcinoma	ط/احمد ممدوح	2	
Anatomy and function of the pharynx and oesophagus. Nasopharyngeal	ط/رواء-د-اسامة		الاحد 2020/5/31

diseases: Adenoid, nasopharyngeal fibroma and carcinoma			
Complications of CSOM	ط/مها		
Anatomy and functions of the larynx. Congenital diseases of the larynx. Trauma and foreign body inhalation	ط/رواء-د/عايدة	1	الاثنين 2020/6/1
	ط/احمد فتحي	2	
Facial nerve paralysis Otosclerosis and tumours	ط/عبير-د/عايدة	1	السبت 2020/6/6
Ear wash and ear operations Acute and chronic inflammations of the oropharynx. Adenoidectomy, tonsillectomy. Suppurations related to the pharynx. Ulcerations and tumors	ط/احمد ممدوح	2	
Ear wash and ear operations Acute and chronic inflammations of the oropharynx. Adenoidectomy, tonsillectomy. Suppurations related to the pharynx. Ulcerations and tumors	ط/رواء -د/اسامة	1	الاحد 2020/6/7

Facial nerve paralysis Otosclerosis and tumours	ط/مها	2	
Diseases of the hypopharynx. Oesophageal diseases in relation to the otolaryngologist. Oesophagoscopy.	ط/رواء د/زكي	1	الاثنين 2020/6/8
	ط/احمد فتحي	2	
Meniere's disease The mechanisms of hearing and equilibrium. Types and causes of deafness.	ط/عبير د/محمد وائل	1	السبت 2020/6/13
Laryngeal oedema. Acute and chronic inflammation. Laryngeal polyps .	ط/احمد ممدوح	2	
Laryngeal oedema. Acute and chronic inflammation. Laryngeal polyps .	ط/رواء د/اسامة	1	الاحد 2020/6/14
Meniere's disease The mechanisms of hearing and equilibrium. Types and causes of deafness.	ط/مها	2	
Laryngeal paralysis. Benign and malignant tumours.	ط/رواء د/عايدة	1	الاثنين 2020/6/15
	ط/احمد فتحي	2
