The special units and centers at
the central administration in

Qena
1-The Central Printery:-

Established 26/2/1995
Tel. /Txt. (5211281-5211273-52172037)096/1338
Fax 09652111279
Website www.svu.edu.eg/community/special units
Unit manager Mr. Abd El-Hakeem. T. Ahmed
Mobile 0161019010

**The objectives:-

- Presenting services to the university such as printing, covering and binding the required printouts.

**Major achievements:-

-Printing all university printouts for the colleges.

-Printing all what concerning the scientific conferences and other activities.

-Printing daily pamphlets and folders.

-------------------------------------
Side of the central printrey

One of the printing machines
2- Auto Service and Transportations Center:-

Established 26/2/1995
Tel. /Txt. (5211281-5211273-2517203)096/1332
Fax 0965211279
Website www.svu.edu.eg/community/special units
Center manager Mr. Mohamed Kamel M.
Mobile 0105872783

**Objectives:-

-Servicing the university and its colleges, contributing in executing the projects in addition to that maintaining and repairing doings.

**Major achievements:-

-Implementing the scientific and recreational trips for various colleges' students.

-Implementing all summer camps in different governorates for university students.

-Implementing all scientific conferences and medical convoys of university.

-------------------------------------
Auto service and transportation center buses
3- Environmental Researches and Applied Sciences
Center:-

Established 27/6/1995
Tel. / Txt. (5211281-5211273-5217203)096/1271
Fax 0965211279
Website www.svu.edu.eg/community/special unit
Center manager Prof. Dr. Sameh. A. Halawy
Mobile 0101227059

**Objectives:-**

-Raising the environmental awareness through the seminars and training courses.

-Encouraging the environmental researches and forming database that contributes in decision making.

-Organizing international or local scientific conferences that are relating to the center objectives.

-Coordinating and communicating with the public organizations in the fields of environment protection and applied sciences.

-Financing the projects of the researches and environmental programs.

**Major achievements:-**

-The center analyzed Nile water by the factory estuaries in Qena and Aswan.

-The center analyzed the building materials of new Qena city, Qena cement factory and Arab Contractors Company.
-The center analyzed water samples of engineering faculty at Al – Azhar University in Qena.

------------------------------------

One of the center laboratories
4-The Central Laboratory:-

Tel. /Txt.  (5211281-5211273-5217203)096/1113
Fax  0965211279
Website  www.svu.edu.eg/community/special units
Center manager  Dr/W. Farghaly. Sayed
Mobile  0104880012

**The objectives:-

-The central laboratory aims to serve researchers and university students in the following fields:-

1- Assisting in carrying out the researches that requires electronic microscope or the laboratory instruments.

2-Spreading the advanced technology of scientific instruments.

**The central laboratory instruments:-

-Transmission electronic microscope.
-Scanning electronic microscope (SEM).
-X-ray instrument for elements analysis.
-The analysis and chromatograph separation HPLC trademark KNAUER.
- Microscope by image analysis system trademark Leica.
-Centrifuge device with cooling.
-Ultrasonic bath.
- Microscope without camera trademark Zeiss.
-Acidity measure devices.
-Water deionizer.
**Major achievements:-

- Examining and analyzing the samples by the laboratory scientific instruments for researchers at faculties.

- Chemical and biological analysis of drinking water, sewages and industrial wastes.

- Organizing training courses for the researchers inside university and the persons who interested in scientific research outside the university.

----------------------------------

5-Fitness Center:-

Established  29/5/2000
Tel. /Txt.  (5211281-5211273-5217203)/096
Fax  0965212011
Website  www.svu.edu.eg/community/special units
Center manager  Dr/E. Abo El Kasem M.
Mobile  0162548584

**Objectives:-
*Providing the following services:

- Physiotherapy and weight losing.
- Qualifying sportive teams from both physical and psychological sides.
- Preparing the sportive staffs in different fields.
- Organizing sportive courses for various sportive activities.
- Qualifying Students to join the faculties that require professional and physical tests.

**Major achievements:-

- Qualifying many of the sportive injuries.
- Training the special needs students on weightlifting game.
- Performing sportive competitions of some faculties of physical education.

-----------------------------------
6-Internet Center:-

Established 31/3/2002
Tel./Tlx. (5211281-5211273-5217203)096/1601
Tel./Fax 0965211276
Website www.svu.edu.eg/community/special units
Center manager Dr/Taha. M. Amroon
Mobile 0106768496

**Objectives:-

-Making researches, scientific consultations and referential services on the level of the Egyptian Universities.

-Organizing seminars and training courses in the fields of libraries and information systems.

-Assisting teaching staff members and the researchers in making and using databases.

-Providing cultural and scientific cooperation links for teaching staff members inside and outside university.

-Facilitating communication and information transfer among university administrations, colleges and subordinated centers.

**Major achievements:-

-Training teaching staff members and the university workers on using information technology.

-Expanding the infrastructure of website and linking the university web with supreme council of universities.

-Granting ICDL to all categories inside and outside university.
- Transmitting the important events of university through the university website.

- Providing internet services for the laboratories for coordination-mail.

- Providing internet access for all workers inside campus.

--------------------------------------

One of the internet halls
**7-Moubarak Center for Consultation and Training:-**

Established   29/3/2004  
Tel. /Txt.     (5211281-5211273-5217203)096/11243  
Tel. /Fax      0965224542  
Website        www.svu.edu.eg/community/special units  
Center manager Dr/G. M. Kamal Eldien  
Mobile         0164267543

**Objectives:-**

-Raising the competitiveness of small projects.

-Increasing the awareness of small and infinitesimal projects' importance and role.

-Encouraging the related researches with small and infinitesimal projects.

-Financing the related projects with researches and the related programs with small projects.

**Major achievements:-**

-The center executed a unique attempt to support the competitiveness of the commercial activities of the private sector by setting up the first exhibition of its kind for the private sector activities inside South Valley University.

-The center provided services for many factories to raise its competitiveness especially in the environment field including Quos sugar factory.
-The center executed success attempts of bio agricultures for export in cooperation with the private sector including: Kidney Bean cultivation-Hibiscus cultivation- Grape cultivation.

-Training number of the students through pathways to higher education project in the project of development of thinking and managerial skills.

--------------------------------------
A training course at Mubarak center
8-Quality Assurance and Accreditation Center:-

Established: 29/3/2005
Tel. /Fax: 0965226590 / 096522454
Website: www.svu.edu.eg/community/special units
Center manager: Dr/Ahmed Akawy Abd El Aziz
Mobile: 0103708937

**Objectives:-

- Supporting the quality assurance and accreditation process according to the requirements of education development process inside university.

- Assisting the colleges in creating specific systems to each one to confirm the internal quality.

- Working on improving capacity-building and training the staffs on quality assurance either on the university level or on the level of each college.

**Major achievements:-

- Organizing the conference of the referential national standards for academic programs.

- Organizing twelve awareness seminars about the importance of the quality of the educational process and its role in raising the administrative and academic level. The seminars included the teaching staff members, workers and the academic and administrative leaderships.

- The center took part in preparing the quality assurance strategy at the university.
- The center took part in preparing Five-Year plan at the university.

---------------------------------------

Part of a workshop at quality assurance and accreditation center at university attended by the president and vice-president for community service sector
9-Faculty and Leadership Development Project Center:-

Established 23/5/2005
Tel. /Txt. (5211281-5211273-5217203)096/1534
Tel. /Fax 0965224542
Website www.svu.edu.eg/community/special units
Center manager Prof. Dr .Hefny. E. Mohamed
Mobile 0102835480

**Objectives:-

-The center aims to make a strategic plan limiting and including objectives and programs and aims to develop the educational and research process through the following suggestions:-

-Setting training and continuous Training and rehabilitation programs for workers.

-Setting the professional development program for teaching staff members in the fields of development of the curriculum, teaching methods and examination.

-Preparing the scientific feasibility studies for establishing the academic institutions.

-Presenting the economic, technical and scientific consultancy for all educational services.

**Major achievements:-

-Implementing about 267 training workshops.
- Training about 6503 one in 271 training workshops since the project beginning in September 2004 until September 2007.

- Preparation and professional development course for the teachers of pilot and language schools in the following specialties: Mathematics-Science-English from 21/7/2007 to 7/8/2007.

- Course of the educational qualification for primary education teachers.

A workshop at one of the leadership development project center halls
10-Information and Communication Technology
Training Center (ICTC):-

Established 25/3/2006
Tel. /Txt. (5211281-5211273-5217203)096/1256
Tel. /Fax 0965224542
Website www.svu.edu.eg/community/special units
Center manager Dr. Hussein. M. Abd El-Basset
Mobile 0105224067

**Objectives:-

-Training teaching staff members at the university, also at high and medium institutions and at technological colleges on the skills of information and communication technology.

-Training the workers in both the private and public sector on the skills of information and communication technology.

-Training the students and the civil society members on the skills of information and communication technology.

**Major achievements:-

-Training about 1750 one of teaching staff members and the workers through ICTP project in Qena, Aswan and Luxor until 31/12/2007.

-Training about 1007 students during the Egyptian education initiative.

-Preparing about 500 training courses through ICTP project.
-Preparing about 700 training courses during the Egyptian education initiative EEI for the teaching staff members, workers and the students.

A group of students in a course at Information and Communication Technology Training Center
11-Productive Environmental Services Center:

Established 30/10/2006
Tel. /Txt. (5211281-5211273-5217203)096/1320
Tel. /Fax 0965211279
Website www.svu.edu.eg/community/special units
Center manager Dr/W. Farghaly Sayed
Mobile 0104880012

**Objectives:-

-Cleaning the university, recycling wastes and marketing the products.

-The complementary industries such as oil squeezer and data storage and sale.

-Afforestation the desert lands at the university.

**Major achievements: -

-The university drilled a well near teaching staff members club.

-Expanding the area of farmland at university by renewing and displacing the dripping net on about 6 acres.

-Making seats and tables for the students around the hostels at the university.

-Making a dripping net and planting around five acres tomatoes and eggplant.

--------------------------------------
Some of the Productive Environmental Services Center products
12-The Olympic Village:-

Established 28/5/2007
Tel. /Txt. (5211281-5211273-5217203)096/1108
Tel. /Fax 0965212012 / 0965212011
Website www.svu.edu.eg/community/special units
Center manager Mr. M. Khaled Ali
Mobile 0106022279

**The objectives:-

-Organizing the international and local competitions the level of the university, clubs and different organizations.

-Advancing of physical education and presenting educational services.

-Expand the physical activity practice for the students and the community.

- Raising the efficiency of body vital organs by practicing the physical activity.

**Major achievements:-

-Preparing capacity tests of students' acceptance at physical education colleges at indoor halls.

-Organizing football Ramadan sessions by the public administration of students and colleges.

-Organizing the 3rd Arab session for football quintets in November 2007 at indoor halls.
-Organizing all the sportive activities of the university hotels youth week events at the Olympic village from 2/2/2008 to 7/2/2008 in mourning and evening.

--------------------------------------

13- Agricultural Researches and Experiments Centers:-

Established 26/11/2007
Tel. /Txt. (5211281-5211273-5217203)096/1697
Tel. /Fax 0965211835
Website www.svu.edu.eg/community/special units
Center manager Dr/Mahmoud A. Ali
Mobile 0101039556

**Objectives:-

- Reconstructing and cultivating the desert lands of South Valley University with trees, crops, plants and animals.

- Implementing the complementary industrial projects for production whether agricultural or animal projects for manufacturing and marketing within the available possibilities.

**Major achievements:-

*1:- Milk production unit:
   - It located at faculty of agriculture.
   - Department of food industry and diary.
   - The services: great exploiting of milk by producing margarine, butter, cream, full-fat cheese, yogurt, rice with milk and bileela.

*2:- Mushrooms production unit:
   - It located in faculty of agriculture, agricultural researches center.
   - The department of agricultural plants.
   - The services: producing mushrooms especially molluscous type also there is an attempt to produce the second type Ajarix.
*3:- Model unit for apiarian products:
-It located in the agricultural researches center.
-The services: producing bee honey, increasing the apiary size, producing the royal food, producing honey poison and producing bee queens for sale.

One of the Apiaries
4: Field crops farm:
- It located in the agricultural researches center.
- The department of field crops.
- The planted crops in winter:
  - 70 acres wheat, 40 acres hegazi alfafa, one acre beans.
- The planted crops in summer:
  - Planting: millet, peanuts and corn.
- The services:
  - Selling wheat grains to the university staff and Qena residents.
  - Supplying the animal production farm with green feed, straw of wheat and hegazi alfafa.
  - Selling the green beans to the university staff.

5: Biofertilizer unit:
- It located in faculty of agriculture.
- The department of lands and water.
- The services:
  - Producing the bio-fertilizer through producing the solvent bacteria of phosphorus.
  - Producing radical nodes which aid to raise the productivity and soil fertility.

6: Organic farm:
- It located in the agricultural researches center.
- The department of lands and water.
- The services:
  - Planting a various crops without chemicals and selling these crops to the university staff and areas around university.
7:- Vegetable farm:
- It located in the agricultural researches center.
- The department of orchards.
- The services:

*Producing various vegetable crops and selling to the university staff and the residents such as: tomatoes, tomato seedlings, zucchini, option, onion, drew and other.

8:- Fruit farm:
- It located in the agricultural researches center.
- The department of orchards.
- The services:

*Producing various fruit crops such as: grape, olive, mussel, guava, pomegranate and figs.

Part of the university farm
9: **Poultry ward:**
   - It located in the agricultural researches center.
   - The department of poultry and animal production.
   - The services:

   * A ward for egg production includes 5000 pullets.
   * Two wards for fattening each one includes 5000 pullets in addition to the rabbit warm.

![One of the poultry ward](image)
10:-Animal production:
-The services:-

*There are 160 large and small buffalo.
*Producing milk for university staff and residents.
*Producing manure to university farms.
*Supplying the milk unit with needed milk.

11:-Sheep:
-It is located in the agricultural researches center.
-The department of animal production and poultry.
-The services:-

*Breeding high qualified rams for El Adha Eid.

12:-The ornament:
-It is located in the agricultural researches center.
-The department of orchards.
-The services:-

*Producing various ornamental plants and afforestation in addition to medical and aromatic plants.

One of the greenhouses
14-Public Service Center of Language Research:-

Established 26/11/2007
Tel. /Txt. (5211281-5211273-5217203)096/1416
Tel. /Fax 0965211269
Website www.svu.edu.eg/community/special units
Center manager Prof. Dr. M. Abo Elfadl Badran
Mobile 0125426348

*Objectives:*

- Preparing, supervising and evaluating language programs prepared by the center for both bachelor students and graduate students either inside or outside university campus.

- Preparing special programs for raising the level of language taught for the assistant lecturers and demonstrators at all faculties.

- Preparing special programs for faculty staff members and their assistants who are interesting in developing their linguistic skills.

- Teaching TOEFL courses and preparing exams for all graduate students either inside or outside university.

- Organizing seminars and scientific conferences of languages at university campus.

- Cultural exchange between centers, language centers, research institutions and universities of language affairs and cultures.

- The center also develops training programs for writing reports, thesis and researches of languages at the center.
-Linguistic revision of the scientific researches which are written in the languages taught at the center to be published.

-Translating official documents such as contracts, certificates…etc.

*Major achievements:-

1-English unit:-

-Organizing skill development courses for 40 trainees of Petrol Company, 142 trainees of Aluminum Company and more than 100 students of alumni.

-Translating and documenting the certificates.

2-Arabic unit:-

-Preparing training courses for Arabic teaching and sensing Arabic poetry.

3-Spanish unit:-

-The center prepared three training courses for teaching Spanish language.
One of the Public Service Center of Language Research Halls
15-Production Workshop Unit:-

Established 26/11/2007
Tel. /Txt. (5211281-5211273-5217203)096/1694
Tel. /Fax 0965211279
Website www.svu.edu.eg/community/special units
Center manager Mr. Esam Abd El-Reheem Mohamed
Mobile 0182272202

*Objectives:-

- Contributing in supplying the faculties with what they need from the unit specialties.

- Achieving productive engineering works for other.

*Major achievements:-

- Achieving many of carpentry works that served the university since production unit foundation.
Part of the carpentry workshop
16-Mubarak Hall for Major Conferences:-

Established 22/2/2008
Tel./Txt. (5211281-5211273-5217203)096/1640
Tel./Fax 0965211279
Website www.svu.edu.eg/community/special units
Center manager Mr. A. Abd Elrejal Hasan
Mobile 0182272202

*Objectives:--

- Organizing local and international conferences at all universities and various institutions.

- Offering educational services.

- Preparing halls for theses discussion.

*Major achievements:--

- Organizing the following conferences and meetings at the hall:-
  1-The 1st and 2nd conference for recent environmental problems and social sharement.

  2-Meeting Prof. Dr. El Awkaf minister with imams in Qena.

  3-Many of poetical seminars of Mr. Abd El-Rahman El-Abnody.

  4-"Qena through ages conference" (October 2008).

17-University Guesthouses:-

Established 29/7/2008
Tel. /Fax 0965211279\0965227411
Website www.svu.edu.eg/community/special units
Center manager Mr. Hasan Youssef Abd El Razek
Mobile 0101276468

*Objectives:-

- Receiving guests at university campus.

- Preparing necessary arrangements for conferences through processing the residence and subsistence.

- Hosting and providing all services for conference participants, visitors and guests at the university hotel.
One of the university guesthouses rooms

Side of the drawing-room at university guesthouse
18-Community Service and Environment Development Center:-

Established 30/6/2008
Tel. /Fax 0965216487 / 0965217210
Website www.svu.edu.eg/community/special units
Center manager Vice-president for community service affairs

*Objectives:-

-Preparing the studies and consultations and organizing seminars and conferences.

-The center publishes a refereed scientific journal for environmental researches.

*The center consists of four specialized subunits:-

1- Medical studies and researches center.

2- Environmental impact assessment of projects and researches unit.

3-Natur reserves studies and researches unit.

4-Special needs care unit.

--------------------------------------
The special units and centers at the central management in Aswan
1-Environment Studies and Development Center:-

Established 27/6/1995
Tel. /Fax 0973480448 / 0973481550
Website www.svu.edu.eg/community/special units
Center manager Dr. Abd El Aziz Tantawy
Mobile 0127314271

*Objectives:-

-Determining environment problems especially in Aswan to know how we can solve them.

-Encouraging making the multidisciplinary applied and scientific researches and forming research teams for discussing them.

-Encouraging dwelling in the desert and establishing stations and making advanced researches inside desert.

*Major achievements:-

-Forming international team of multidisciplinary scientists for studying the dry environments and applying their experiences on large scale.

-Making a guidebook for natural resources protection and management, Flora, wildlife and renewable resources of energy.

-Establishing experimental farm at Elaqlany valley for planting desert plants that features with high economic value especially the medical plants.
Some researchers at Elaqlany valley attached to Environment Studies and Development unit
2-Natural Hazards Studies Unit:-

Established 29/7/2008
Tel. /Fax 0973480450 / 0973480447
Website www.svu.edu.eg/community/special units
Unit manager Dr. Kamal Abo El Majd
Mobile 0127314271

*Objectives:-

- Contributing in identifying the natural hazards such as earthquakes, torrents, drought, desertification, sand dune encroachment on urbanism areas, silting in the High Dam Lake and sandstorms to find the appropriate solutions.

- Establishing required databases for reducing the destructive effects of natural hazards and benefiting from possible positive effects on the other hand.

- Preparing the academic, applied, consulting, training and media studies in the unit field.

---------------------------------------
The special units and centers at faculties in Qena
**Centers of faculty of Arts**

Faculty of arts at Qena
I- Public Opinion Research Center:-

Established: 28/5/2007
Tel./Txt.: 0965211281 / 1459
Tel./Fax: 0965211269
Website: www.svu.edu.eg/community/special units
Center manager: Dr. Abd El Aziz Elsayed
Mobile: 0101584361

**Objectives:-

- Exploring and discussing the trends of public opinion at Upper Egypt about topics or specific issues for needs meeting, and making researches and continuing studies to measure the public opinion trends of main issues and.
